

# You eat, you sleep, you bathe...

Perfect in every way:

- the fragrance
- the experience
- the ingredients
- the results.

A spa experience, anywhere.

No one is as obsessed with creating the world's finest bath products than ESSENTUALE.

## The world's finest shampoo.

Bathing (and the shower) has forever changed.

An incredible shampooing experience during and after use.

An indescribable calming and invigorating male/female fragrance surrounds during use, yet magically disappears on rinse to avoid cologne and perfume conflicts.

Leaves hair so touchably soft, so manageable, you won't be able to stop running your hands through it. People will notice.

Use with ESSENTUALE Conditioner and ESSENTUALE Body Wash. It's a complete system and an experience.
